on 7th may 2022 .The Competition was hosted by Ms. Akriti Daksh and Ms. Neeraj Nagar. Moot Court Proceeding concluded in a smooth manner & all teams presented their legal arguments .

13. OUTCOMES & OBJECTIVES ACHIEVED- The objective was to enable students to be aware of application of laws on factual situations in real life scenario. The court proceedings should be taken into consideration while preparing for career in legal field and thus practical experiences are important for a student. The students were able to make the memorials on their own and learnt so much about authorities, jurisdiction of a court , how to analyse laws and cases and interpretation of law in particular circumstances.

They also learnt to argue in court room in front of judges and how to particularly adhere to court mannerisms.

Students have confidence that they can speak in a manner that will be logically convincing and effective. They can participate in external Moot Court Competition more confidently.

14. OBSERVATIONS - The session was concluded by the Director IPEM, Dr. R.K Singhal with his motivational words who briefly explained the importance of this competition.

15. SHORTCOMINGS- Due to hesitation, for few participants it was a little difficult to speak throughout in English , but with the help of other team members they could successfully present their case.

16. RECOMMENDATIONS FOR FUTURE IMPROVEMENTS- The time for memorial submissions must be at least 15 days after the release of moot proposition because it encourages junior students to take part enthusiastically. Also, during the actual arguments , the collar mic should be given to the participants for clear audibility to the audience.

24. OUTCOMES AND OBJECTIVES ACHIEVED – The theme like FAKE FEMINISM which is an idea to perform independent street play have always been on bringing the positive changes in the society. It was apparent from the response of the audience that they were able to connect with the storyline of the act and as this all has become every household's story. Students had an interactive session with some of the audience about their opinion on our act and tried to understand their perspective. Our students then explained them about the 2014 guidelines laid down by SC in Arnesh v.
