Best

Ok

Good

First teachers should be punctual and come on time in the Class  
Secondly teacher's should teach to students with logic examples and clearly explain every point  
Thirdly teacher's should have asked a question to everyone if students are not able to reply of that question so than teachers should tell us of that question.

The same status in teaching should be maintained .Recent verdicts of higher courts should be discussed .

No teacher good

They are spoiling our future they r just covering syllabus...not teaching deep knowledge
