Respected Ma'am/ Sir,

Today's knowledge sharing is regarding the appointment of 9 new Judges to the Supreme Court.

It is for the first time in the history of the apex court when nine judges have taken oath of office at one go and the swearing-in ceremony being held in the auditorium of the Supreme Court's additional building complex.

Traditionally, the oath of office to new judges is administered in the CJI's court room.

With the swearing-in of the nine new judges on Tuesday, the strength of the Supreme Court has risen to 33, including the CJI, out of the sanctioned strength of 34.
