### **MISSION OF INSTITUTION**

- Striving for excellence can never be an accidental and spontaneous phenomenon. It has to be engendered in the basic personality framework where it lives as a firm habit.
- We at IPEM Group of Institutions are alive to these basics and this is reflected in our major thrust areas which are to create an environment for world class management education, value-based learning on human dynamics, interactivity and optimization of time as the exhaustible resources.
- Our paradigm for various programs is to create equidistant managers and professionals who have competence to operate effectively both at the domestic and global levels.
- IPEM strives for the service to the industry and society by providing value based managers, technocrats and professionals.

### **VISION**

- Our Vision is to produce Professionals who would pioneer the future Revolutions.
