ONE-DAY SKILL DEVELOPMENT WORKSHOP FOR NON-TEACHING STAFF

IPEM Law Academy organised a one-day skill development workshop for the non-teaching staff. The workshop was totally based on maintenance of harmony at workplace. The main objective of the workshop was to develop the skills and was totally related to self-enhancement.

The target of up skilling the non-teaching staff was attained by means of training them on the topics “Inter-personal and Effective communication” with lot of activities and role plays. The activities emphasized day to day work situations, the participants were trained and guided to work within the team in a polite manner without hurting one’s feeling. The role plays were performed in order to help them overcome the stress factors at work place and being able to balance the work life better.

The Resource persons made the sessions very interesting and the participants enjoyed the sessions thoroughly and overall had a joyful experience.
