### LIBRARY DETAILS

The Library plays a central role in enhancing the quality of academic and research environment in Education institutions. The Library is a place where there is huge collections of academic books, journals, magazines, research projects, rare books, other knowledgeable books and newspapers are being kept.

The different books are made available to the students to increase their knowledge and understanding on various subjects.

The Library is an important hub of any student's life. There, student can check out books, conduct their research, find a quiet place to study, and maybe even flip through magazine. The students can extend their search with use of internet, e-books, e-journals etc. made available in the digital library.

The Library exhibits very positive impact on all over academic achievement of the student so that the Students can perform better during examination as students are explored to the knowledge through various means.

### Library Services:-

- Issuance of ID Cards to students.
- Membership Forms are filled by the Faculties.
- Books ,Journals, e- Journals Access.
- OPAC Facilities.
