The action taken report on the resolutions passed in the last meeting presented by the IQAC coordinator and accepted by the IQAC.

1. The very first point of evaluation of activities was taken up as the discussion, as it was observed that in the previous conducted activities we had minimum number of participation. In order to increase the same, some plans were worked out to involve the students in the activities and to include the students as the co-coordinators for monitoring the same.
2. It was discussed in the meeting that we should introduce the use of technology as Indian education needs to realize that the absorption power of every student cannot be the same. Some students have faster learning pace and some are slow. Teachers must have a keen eye on observing each of their students.
3. There should be the process related to throw the focus in the terms of evaluation and it should be classroom participation by a student, projects, communication and leadership skills and extra-curricular activities.
4. It was decided that at least one National Activity to be conducted once a year, for which the Academy has asked to chalk out a plan for these type of activities.
